22nd August 2022

Mr. Jonas Brazionis

Director
TLT Connected Ltd
P. O. Box 45669
Nairobi 00100

Dear Sir,

**RE: PROVISIONAL TYPE APPROVAL FOR TELTONIKA 4G LTE WIRELESS
ROUTER MODEL: RUT956**

This has reference to your application dated 6th July 2022 for Type Approval of the **Teltonika 4G LTE Wireless Router Model: RUT956**.

Your application has been evaluated, and we are pleased to inform you that the said **Teltonika 4G LTE Wireless Router Model: RUT956**, has been granted provisional type approval, for use in the cellular communications networks, GSM (900/1800) MHz, 3G and LTE, subject to all the conditions given below:

- (1) This provisional type approval shall be for a trial period of 6 (six) months, from the date of this authorization.
- (2) You will be responsible for the long-term backup and after sales service of the wireless router that you sell.
- (3) You will ensure that the wireless router do not become a health, environmental or a safety hazard and ensure that as little damage as possible is caused to the land and to the environment by the wireless router that you sell.
- (4) You will not make any modification to these wireless routers whatsoever.
- (5) You will offer a warranty period of not less than one year (12 months) or the manufacturer stated warranty period, for all the wireless router that you shall sell.
- (6) You shall maintain adequate spare wireless router based on the volume of sales to enable you to immediately replace the returned faulty wireless router, during the warranty period.

- (7) The 2.4GHz wireless features of the wireless router shall operate and run in accordance with the Authority's Guidelines on the use of Radio Frequency Spectrum by Short Range Devices.
- (8) The 2.4GHz capability of these wireless router shall not cause harmful interference to other radio communication systems nor should you seek protection against interference from other users operating in the same band.
- (9) By granting Type Approval to the wireless router, the Authority shall not be held liable for the quality of speech or data transmitted through these wireless routers, and for any loss or damage arising from such communication or lack of communication.
- (10) The Authority reserves the right to withdraw this type approval if the operation of the said wireless router is found to be unsatisfactory in any manner, or if the conditions of approval or use are contravened.

Yours faithfully,

Stella J. Kipsaita.
