Dear Ms. Bancy,

**RE: PROVISIONAL TYPE APPROVAL FOR TELTONIKA LTE ROUTER, MODEL:
RUTX14**

This has reference to your application dated 28th January, 2022 for Type Approval of the **Teltonika LTE Router, Model: RUTX14**.

Your application has been evaluated, and we are pleased to inform you that the said **Teltonika LTE Router, Model: RUTX14** (hereafter referred to as 'LTE Routers') has been granted provisional type approval, for use in the cellular communications networks GSM (880/1980) MHz and 3G (2170) MHz and LTE subject to all the conditions given below:

- (1) This provisional type approval shall be for a trial period of 6 (six) months, from the date of this authorization.
- (2) You will be responsible for the long-term backup and after sales service of the LTE Routers.
- (3) You will ensure that the LTE Routers do not become a health, environmental or a safety hazard and ensure that as little damage as possible is caused to the land and to the environment by the routers that you sell.
- (4) You will not make any modification to these LTE Routers whatsoever.
- (5) You will offer a warranty period of not less than one year (12 months) or the manufacturer stated warranty period, for all the LTE Routers that you shall sell.
- (6) You shall maintain adequate spare LTE Routers based on the volume of sales to enable you to immediately replace the returned faulty routers, during the warranty period.
- (7) The 2.4/5 GHz features of the LTE Routers shall operate and run in accordance with the Authority's Guidelines on the use of Radio Frequency Spectrum by Short Range Devices.

- (8) The 2.4/5 GHz capabilities of these LTE Routers shall not cause harmful interference to other radio communication systems nor should you seek protection against interference from other users operating in the same band.
- (9) By granting Type Approval to the LTE Routers, the Authority shall not be held liable for the quality of speech or data transmitted through these routers, and for any loss or damage arising from such communication or lack of communication.
- (10) The Authority reserves the right to withdraw this type approval if the operation of the said LTE Routers is found to be unsatisfactory in any manner, or if the conditions of approval or use are contravened.

Yours faithfully,

Derick Khamali
