

2024.11.22: Device Housing - Engraving/Labeling changes

Starting from December 2024, BAT120 devices will be produced with top and bottoms stickers.

PCN Number: PCN_Housing_Engraving,Labeling_BAT120_2024.11.22_EN

Change description

Change type	Visual Changes
Detailed description	<p>The device will be manufactured with top and bottom stickers instead of engravings due to the thickness of the paint coating on the housing. The information on the stickers will not be affected.</p> <p>Please note that this change will be implemented gradually, throughout a 1-month transitional period starting from December, 2024. During this period, your shipments of BAT120 may consist of either the current design or the new one described above.</p>
Change reasons	Reducing the risk for client to receive lower quality engraving on the housing.

Affected products information

Model	Affected order codes	Order code changes
BAT120	BAT120 *****	No changes
Upcoming change date	December 1st, 2024	

Change impact

Risk assessment	No risk factors are associated with this change. Please note: this product change notification does not affect any previous BAT120 devices, except new BAT120 devices that will be manufactured with this change.
Suggested implementation plan	Information included in this PCN will help adapt to the upcoming changes. For more detailed information, please contact your sales representative.

Acknowledgement of PCN receipt
