

2025.03.18: Transition to Eco Packaging

Beginning in March 2025, the packaging for RUTM51 updated with the following changes.

PCN Number: PCN_RUTM51_transition_to_eco_packaging_2025.03.18_EN

Change description	
Change type	Packaging changes
Detailed description	<p>The inserts and plastic packaging will be replaced by individual cardboard boxes for both the product and its accessories. Of those boxes, the product box will include the Teltonika Networks logo and company information, and accessory boxes will include the accessory name, order code, image, EAN barcode, and QR code. Any empty space in the packaging will be filled with carton honeycomb fillers. These updates are meant to reduce the environmental footprint of our products, with eliminating plastic packaging being the primary focus.</p> <p>Please note that this change will be implemented gradually, throughout a 6-month transitional period starting from March 2025. During this period, your shipments of RUTM51 may consist of either the current packaging or the new one described above. For inquiries regarding custom order codes, please contact your designated sales representative.</p> <p>The visuals below do not represent the actual product packaging; they are for reference purposes only.</p>
