Dear Ms. Nyawira,

RE: EXEMPTION FROM TYPE APPROVAL

This has reference to your application dated 9th July 2021 on the above subject, seeking to establish if the device with the specifications indicated in the table below is exempt from type approval.

We wish to confirm that the device is categorized as Short Range Device and is therefore exempt from type approval in accordance with the provisions outlined in the Guidelines on the use of Radio Frequency Spectrum by Short Range Devices available on our webpage: <https://ca.go.ke/wp-content/uploads/2018/02/Guidelines-on-the-Use-of-Short-Range-Devices-Revised-8th-July-2016-1.pdf>

Product description	Manufacturer	Brand Name// Model Number	Operating Frequencies// Maximum Radiated Power
