

## Product Change Notification

PCN number: PCN_TRB245_20200814_EN		Date: 2020.08.14
<b>1. Change description</b>		
Change type	External/visual	
Detailed description	The product code will be removed from the bottom labeling/engraving. The formatting for the remaining information on the labeling/engraving will be adjusted. Product code information will also be removed from the QR code. The labeling on the product packaging will stay unchanged.	
	Old version:	New version:
	<p><b>TRB245000000</b> Batch no: 001</p> <p>SERIAL 1000000000</p> <p>IMEI 862506040012620</p> <p>LAN MAC 001E42000000</p> 	<p>SERIAL 9999999999 Batch no: 999</p> <p>IMEI 999999999999999</p> <p>LAN MAC AABBCDDDEEFF</p> 
Change reasons	Placing product code on the product itself is misleading, product code describes what is included in the product equipment package, not in the product itself.	
Product release date	2020, week 36	

<b>2. Affected products information</b>
All TRB2** ***** product codes are affected. No product code changes.

<b>3. Change impact</b>	
Risk Assessment	The exact product code will not be present on the product itself, the exact product code will be found on the packaging box or determined by serial number. This might impact marketing materials due to changing contents of the bottom informational laser engraving.
Suggested implementation plan	No implementation plan needed

<b>4. Acknowledgement of PCN Receipt</b>
If no feedback is received within two weeks after the issue date of this notification - Teltonika may accept that this change has been tacitly accepted and can implement the change as indicated above.
