

BAT Uninterruptable Power Supplies

[Main Page](#) > **BAT Uninterruptable Power Supplies**

BAT is a series of Uninterruptable Power Supplies (UPS). Currently there is only one device in there - BAT120.

Here you will find technical documentation links for all BAT series devices. If you can't find what you're looking for, try using the search bar located at the top-right side of the page, register your question on our [Crowd Support forum](#) or suggest an edit to our technical support team.
