

Event Horizon SCADA™ V2

[Main Page](#) > [IoT Platforms](#) > [IoT](#) > **Event Horizon SCADA™ V2**

The **Event Horizon SCADA™ V2** is now compatible with RUT routers.

Description

Deltacom deal in supervision for renewable energy production plants, control of energy consumption and energy production from renewable sources and development of web-based software applications, corporate websites, corporate identity & brand foundation, creation, management and delivery of web catalogs of interactive spare parts, e-commerce, knowledge-sharing, life cycle and maintenance history.

The Event Horizon SCADA™ system developed by Deltacom guarantees full compatibility with the largest manufacturers of inverters, string boxes and measuring devices. All without any restrictions thanks to the possibility of installing machines of different brands on your plant.
