Anatel logo

The **National Telecommunications Agency** or **Anatel** is a special agency in Brazil created by the general telecommunications act (Law 9472, 16/07/1997) in 1997 and governed by Decree 2338 of 07/10/1997. From the Ministry of Communications, Anatel has inherited the powers of granting, regulating and supervising telecommunications in Brazil as well as much technical expertise and other material assets.

Description

RUTX11 is Anatel approved LTE Cat 6 Router.
