TSF Switches

 $\underline{\text{Main Page}} > \text{TSF Switches}$

TSF010 is an unmanaged Ethernet switch featuring a flat design and integrated DIN rail mounting for plug-and-play deployment in industrial cabinet applications. This Ethernet switch is compact and lightweight, measuring $113 \times 28 \times 50$ mm and weighing only 142 g. Its 3-pin power input and 7-57 VDC voltage range make it a flexible unmanaged switch tailor-made for industrial use. The TSF010 is equipped with five 10/100 Mbps RJ45 ports for reliable connectivity.
