Change type

Firmware Requirement Change

Starting November 2023, all {{{name}}} devices will be manufactured with a new firmware version. They will require firmware version TRB1_R_00.07.05 or newer. Downgrading to previous firmware versions will no longer be supported. Please note that this change will be implemented gradually, throughout a 4-month transitional period starting from November 2023. During this period, your shipments of {{{name}}} may consist of either the previous version or the new one described above.
