## EAN composition

Teltonika products use the thirteen-digit EAN standard called **EAN-13**, which is comprised of three components:

- **GS1 prefix** - identifies the product's country of origin
- **Manufacturer code** - identifies the manufacturer
- **Product code** - identifies the product (assigned by the manufacturer)

## {{{name}}} EAN

EAN components specific to {{{name}}}:

- GS1 prefix: **477** (Lithuania)
- Teltonika's EAN manufacturer code: **905184**
- {{{name}}} product code\*: **{{{product\_code}}}**
- {{{name}}} full EAN number: **{{{ean}}}**

\* Not to be confused with the device's product code specified on the packaging of the device.
