Template:Rms manual users delete profile

To remove company go to the RMS web page, Left sidebar panel, (Users \rightarrow Companies) and click on Companies tab.

Move your mouse pointer to the top control **Company** menu and select **Remove** (Company \rightarrow Remove).

×

Instructions

- 1. Select a company you would like to remove.
- 2. Move your mouse pointer to the **Company** menu and click **Remove company**.
- 3. You will get a confirmation pop-window. Click the **Confirm** button to continue.

×

Important!

- If there any assigned devices to the company you want to remove, all those devices will also be removed from the RMS.
- You can remove multiple companies at the same time.
