

# Vehicle Solutions

[Main Page](#) > [FAQ](#) > [Other Topics](#) > **Vehicle Solutions**

---

You may install any Teltonika-Networks device on a vehicle, provided the device meets all the logical and regulatory requirements of the solution. For instance, in some cases the E-mark approval may be required to make a device eligible for a certain solution.

---

## Teltonika-Networks **devices with E-mark:**

- [RUT850](#)
- [RUT955](#)
- [RUTX11](#)

Check the [Certificates](#) page for info on device certifications.

---

## Teltonika-Networks **devices with GPS:**

- [RUT850](#)
- [RUT955](#)
- [RUTX09](#)
- [RUTX11](#)
- [RUTX12](#)
- [TRB245](#)
