

# Changes Affecting All Products

**Product change notifications (PCN)** is a way of informing customers of upcoming changes related to Teltonika Networks products. This includes outward appearance adjustments, hardware improvements, changes to package contents, etc. Changes related to a product's firmware are not included in PCNs ([click here](#) to see the firmware changelog).

This page stores information regarding changes to the all Teltonika Networks products. Below you will find a list of both upcoming and already implemented changes sorted by newest to oldest (top to bottom).
