Cloud4Wi

![x]

Cloud4Wi is compatible with Teltonika's RUT routers' Hotspot feature.

Description

Cloud4Wi offers a suite of enterprise guest WiFi, location analytics and location-based marketing products. Their mission is to help enterprises across multiple industries – retail chains, restaurant chains, shopping centers, transportation and more – better understand and engage visitors.

To date, Cloud4Wi's product suite connects more than 100 million mobile users across 30,000 locations in more than 100 countries, while collecting more than 7.5 billion of location data per month.
