

RUT900 GCF

[Main Page](#) > [RUT Routers](#) > [RUT900](#) > [RUT900 Certification & Approvals](#) > **RUT900 GCF**

The Global Certification Forum (GCF) is the organisational backbone to GCF Certification. Founded in 1999, this membership organisation brings together technical experts from the world's leading Manufacturers, Operators and the Test Industry. Together members define the certification requirements that really work for the industry - because they have been developed by the industry.
