

# TSW Switches

[Main Page](#) > **TSW Switches**

**TSW** industrial Ethernet switch product line consists of different solutions featuring PoE and/or Gigabit throughput as well as SFP ports.

Here you will find technical documentation links for all TSW series devices. If you can't find what you're looking for, try using the search bar located at the top-right side of the page, register your question on our [Crowd Support forum](#) or suggest an edit to our technical support team.
