Contents

- [1 Summary](#)
- [2 Events Log](#)

Summary

The **Logs** section contains information on various device related events. This article is an overview of the Logs section for `{{{name}}}` routers. If you're having trouble finding this page or some of the parameters described here on your device's WebUI, you should **turn on "Advanced WebUI" mode**. You can do that by clicking the "Advanced" button, located at the top of the WebUI.

Events Log

The **Events Log** section contains a chronological list of various events related to the device. The figure below is an example of the Events Log page:
