

UK PSTI Statement of Compliance

[Main Page](#) > [General Information](#) > [Devices Security](#) > **UK PSTI Statement of Compliance**

The UK's consumer connectable product security regime comes into effect on 29 April 2024.

Description

Schedule 1 to the 2023 Regulations sets out the specific requirements that must be complied with:

- Passwords must be unique per product or capable of being defined by the user of the product.
- The manufacturer must provide information on how to report security issues about their product.
- Information on minimum security update periods
